

Standard Features:

- **EasyOff Backs** - Removable back for easier delivery and moving from room to room.
- **Battery Back-Up** - Returns chair to a seated position in the event of a power failure.

Optional Features:

- **2-Way Lift Mechanism** - Recline Position gently extends the footrest and angles the seat and back for relaxing, reading or watching TV. Lift-Out Position moves the entire chair up and forward to assist in standing and exiting the chair.
- **Easy Lift™** - Electric motor quietly provides smooth transition from recline to standing position and is UL listed and CSA approved. Ideal for persons who have difficulty getting into or out of a chair.
- **PowerRecline®** - Effortlessly recline to your favorite position.
